

Occupational medicine

Excela Health Works provides access to quality, cost-effective workplace services that satisfies the emerging needs of employers in the community. Our providers have decades of industry experience in a wide variety of areas. Starting on Day One, we manage injuries and costs, provide continuity of care, and help to return employees back to health.

Our convenient location allows for access to diagnostic testing, and/or specialty care as per your panel listing.

Greensburg

443 Frye Farm Road, Upper Level
Greensburg, PA 15601
724-765-1230

Excela Health Works After Hours Call is the only injury management program in the geographic area. Our call service is a 24/7, 365-day option that provides employee access to immediate care, reduces loss of productivity in the workplace, decreases travel time for care, and controls employer costs.

Scheduled and/or Walk-In Services Offered | Monday through Friday, 7:30 a.m. to 4:30 p.m.
